

Mableton 2045 Comprehensive Plan

FINAL PUBLIC MEETING AND OPEN HOUSE

Date: Wednesday, April 15, 2026

Time: 6:30 PM

Location: Riverside Epicenter 135 Riverside Parkway
Austell, Georgia 30168

Mableton is developing its inaugural Mableton 2045 Comprehensive Plan, which is the City's "blueprint" for the next 20 years and beyond. The comprehensive plan will formulate policies and land use goals to guide the City's economic, social, physical, environmental, and fiscal development.

Please join us to review the "DRAFT" Mableton 2045 Comprehensive Plan, and to share your ideas about the City's future. This plan was developed in collaboration with residents, businesses, and neighboring jurisdictions.

We need your review and input.
